

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

During the 2022-2023 school year our FVL theme of Overflow with Hope, with a November emphasis on our Joyful Hope. "Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment." (1 Timothy 6:17, NIV) We are reminded that God has provided for and will provide for everything we need and that true joy can be found, not in the things of this world (wealth, fame, entertainment), but in Christ alone. We have the joy of our salvation on this day and every day. Thanks be to God.

Chapel Services Online

Did you miss Chapel service, but want to know what your kids experienced? You can visit our Youtube channel to see all our [Chapel Services](#) throughout the school year.

Pastor Zabell preaching at Chapel on November 9

Don't miss the Bible History Fair

Just a reminder that our Bible History Fair will be held at school from 6:30 - 8 this Friday in the Gym. Come and see all the great projects our students have been working on. You can find the Facebook Invitation [here](#).

Volunteer Opportunities

St. Paul is able to offer an athletics program at a relatively low cost due to the number of volunteers who cover the various areas of need during our sporting events. Some of the more challenging spots like the clock and scorebook actually give you the best view of the game, plus training and support will be provided as you learn. Show your kids you have a growth mindset and take a moment to sign up to help by going to this [link](#). Even if your kids are not old enough to play or are not currently in sports, we welcome your help.

2023-2024 Calendar and Enrollment

It may seem early to be thinking about the 2023-2024 school year, but to be able to effectively plan we need to begin now. At our November 8 Board of Christian Education we approved the [2023-2024 School Calendar](#). In our next Eagle, we will begin the process of collecting preliminary enrollment information. We will include a link to a form and a link to a form that can be filled out instead of using a paper form. We are asking families for preliminary enrollment decisions by December 13.

SCHOOL NEWS

Athletics-Mr. Jammer

Those families who have a child participating in basketball or cheerleading and did not attend the mandatory athletic meeting in the fall need to schedule a viewing ASAP. Both a parent and the student need to attend. **This needs to be done before our first basketball games with Trinity on Monday, November 21.** There will be a viewing tomorrow, Friday, November 11, at 3:30 pm in the 5th&6th grade classroom. Please contact Mr. Jammer to schedule a time to view a recording of the meeting next week if this does not work for you.

(For information concerning our league visit our Fox Valley WELS Athletic League website fwal.org.)

Junior Choir - We sing in the late service on November 20th. Meet in Mrs. Bakeberg's classroom at 10:10, please.

Technology- Mr. Brennan

We have used technology this week in grades 5-8 as we continue to work on our Bible History Fair projects. We are also accepting quotes for a re-cabling process for the schools network system.

Extended Learning- Mrs. Plitzuweit

As we move deeper into the second quarter we are regularly evaluating the needs of our students and the services they receive. Constant communication between teachers, external service teammates, parents, and myself as well as progress monitoring and recording is best practice to make sure every student is successful. Sometimes this results in learning plan updates. Please regularly check folders and emails for any updates that may come.

PTO

Thank you to everyone that has signed up to help during basketball season! It is SUCH a relief to have all the slots for our first home game filled! We only have 38 slots that need to be filled before the entire season is covered! Christmas is around the corner, be on the lookout for a [teacher gift letter!](#) If you want more information on PTO join our [Facebook Group](#) and check out this [Quarterly Newsletter](#).

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

CLASSROOM NEWS

7 & 8-Mr. Brennan

Bible History Fair projects have been a big part of this week as they were due Nov. 10th. Once that is complete the Christmas Service will take focus, as the majority of the 7-8 grade students will have narrations for the service. The Math Bowl is also Nov. 15th 6:00PM is the start of the event.

5 & 6-Mr. Jammer

It was great to see parents last week and discuss your child's progress this past quarter. Please feel free to reach out to me if any additional questions or concerns come up. Recently we have been studying various miracles of Jesus in Christ-Light. In catechism, we continue our studies of the 2nd Article of the Apostles' Creed. Moving on to possessive nouns in grammar class next week.

4-Mrs. Hepner

Thank you to everyone who came and sang this past Sunday! It was beautifully sung by the students. The Bible History Fair is coming up on Friday from 6:30-8pm. Our topic was on Holy Week and students were to focus on one day from that week. We have a field trip next Friday, the 18th and are still in need of chaperones! In Reading class, we are starting to take notes as we read through chapters, with the hope that we can use those notes as we answer our homework questions. In science this week we are taking everything we have been learning and connecting all the dots to fully understand soils, rocks and landforms and how they all work together.

3-Mrs. Loescher

Singing in church last week was a blessing to all of us - thank you! We have been having such fun making Bible history projects about the seasons of the church year. The kids are so excited to share their projects with everyone at the Bible History Fair this Friday, from 6:30-8:00pm! Field trip forms are due on Friday, and we still need a couple of chaperones. Please consider volunteering!

2-Mrs. Bakeberg

Fact practice on Xtra Math seems to be going well; we are practicing daily for 5-10 minutes. Reading groups have been working on finding the main idea. You may have noticed more work being sent home to be finished lately; teaching and learning were difficult this week due to extreme talking and distracting. Homework is not assigned; it is only sent home if it was not finished during work time. Remember the Bible History Fair this Friday from 6:30-8:00!

1-Mrs. Blum

First graders are reading more and more independently. They are learning the making ten strategy in math. In writing, they are writing 3-4 sentences about a topic, adding details and paying attention to spacing and punctuation. We are studying weather in science and learning about clouds, temperature and the moon. In Christ Light, we continue to learn about the miracles that Jesus performed while he taught the people. His love and compassion for people is so amazing to us!

K-Mrs. Jammer

We began our study of letter li and will be listening for its sound at the beginning and middle of words. Please practice the new word list and the sight word sheet that came home this week. Our new science unit is on "Getting to Know Wood." In music we are training our ears to identify high and low pitches. Tomorrow evening (6:30-8) is the Bible History Fair for grades 1-8. You are invited to attend.

3K & 4K-Mrs. Zabell & Mrs. Nelson

We are busy measuring, painting a mural, differentiating numbers and letters, counting, and learning silly songs! During our Bible time, we heard about the 10 Plagues and the crossing of the Red Sea. We know that we can call on God in all of our troubles!

FROM THE OFFICE

Because of this 3-season weather we have been having lately we would like to remind our families to make sure your kids have appropriate attire here at school (hats, mittens, gloves, jackets) as we DO go outside most days. October billing has gone out. Reach out to Lisa if you have any questions.

UPCOMING DATES

November 10 - Grade 5 & 6 Math Bowl
November 11 - Bible History Fair
November 14 - PTO Meeting
November 15 - Grade 7 & 8 Math Bowl
November 18 - Grade 3 & 4 Field Trip
November 22 - Early Release
November 23-25 Thanksgiving Recess
