CLASSROOM NEWS

3/4K—Mrs. Nelson—We are excited to have almost 100 straws in our straw count and to celebrate the 100th day of school next week. Jesus told his friends to tell others about Him and he wants us to preach the Good News too! We get to do that this Sunday when we sing in church! We'll meet in our classroom 10 minutes before the service begins.

3/4K—Mrs. Zabell— We heard how Jesus called his first disciples and like them, he asks us to share the good news about him and be “fishers of men”. Our small groups focused on nursery rhymes, playing instruments, foil painting, working with numbers grouped in different ways, 1:1 correspondence, and drawing maps. If you would like to share valentines with the class, please send them on Feb. 9th (Wednesday). Your children sing this Sunday! Please have them meet in our classroom 10 minutes before the service starts (7:50 or 10:20).

5K—Mrs. Jammer— We sing this Sunday, Feb. 6 in the 8:00 and 10:30am service (whichever service you chose). Please bring your child to the Kindergarten classroom 10 minutes ahead of service time. We will sing at the very beginning of the service from the front of church and afterwards your child may sit with you. In music class we've been learning about the instrument families in an orchestra: woodwinds, brass, percussion, and strings. We will celebrate our 100th Day of Kindergarten on Tuesday, Feb. 8 and have a Valentine exchange on Tuesday, Feb. 15. (20 students, just label the 'from' for easy exchange).

1—Mrs. Blum—The 100th day of school is coming up for 1st graders on Friday. We will have a fun day celebrating the many blessings we have had so far this year! Next week is a short, three day week. We will celebrate Valentine's Day on Wednesday afternoon and then will return to school on Tuesday, February 15th. Look for more information about our Valentine's celebration in the Notes for the Week!

2—Mrs. Bakeberg—How are the costumes coming along? The ones that have been brought to school already are adorable! Remember that they should be sent to school in a bag labeled with your child's name by Wednesday, Feb. 23rd. Our Valentine exchange is on Wednesday, the 9th. There is no school on the 10th, 11th, and 14th. This month we are learning about George Washington and Abraham Lincoln during our read-alouds.

3— Mrs. Walkley—This week we're typing up our writing masterpieces and looking forward to sharing them with the class. There's no school Thursday, February 10 - Monday the 14th, so we'll be celebrating Valentine's Day a little late. Students can bring Valentines on the 15th to exchange at the end of the day. Keep an eye out for any papers coming home that say “Fix and Return.” If they come back to me corrected, I raise the grade. Keep working on those states and capitals, and keep reading for the book report! Have a great weekend and a great break next week!

4— Mrs. Krug—Since we are off on Valentine's Day, we will be celebrating next Wednesday, Feb. 9. If your child is bringing Valentine's please make sure they have one for every student. A list of students was sent home today. A reminder that there is No School on February 10, 11, & 14. These would be great days to work on their Book Report (due 3/11), Capitals test (due 2/28) and math facts. For researching our next informational paper, we also have been using getepic.com which is an online book service. It is free during the week until 3:00 pm. During their days off it would be a great resource for them to read some fiction or non-fiction books or to continue researching their next informational essay. I will have your student write the classroom access code in their assignment notebooks. Happy Groundhogs Day! □

5 & 6—Mr. Jammer—Thank you to all the students who were able to join us in our classroom choir last night and Mission Festival Sunday. We started a study of the Apostles' Creed earlier this week. We will have a “guest” art instructor when we finish our watercolor unit.

7 & 8—Mr. Brennan— We have plenty of excitement on the horizon as well. Basketball tournaments, cheer competitions, and even starting to prepare for the school play are all things yet to come. We have plenty to learn and do in class as well. We have just begun reading “Animal Farm” which is a very deep book despite it's title. Take some time and discuss it with your 7th or 8th grader. 7-8th graders will be making a video presentation for their term project in history. The project will be due March 4th giving a whole month to work on it. The project will involve the need for a Chromebook and students will be given work time at school, though they may need guidance and encouragement outside of the classroom to get it done on time and to the best of their abilities.
