**Lost and Found**— we have a table set up by the concession stand with all of our latest lost and found items. Please take a moment to look at them. The table will be there until Sunday.

## CLASSROOM NEWS

**3/4K—Mrs. Nelson**—Number and letter recognition has been a focus this week, along with memory and matching and some creative use of art supplies! We were happy to hear that Jesus prayed, “Your will be done” the night before he willingly died to save us.

**3/4K—Mrs. Zabell**— We heard how Jesus prayed that his Father’s will was done in the Garden of Gethsemane and how he was taken before Pilate on his path to the cross. What great love our Savior showed by willingly suffering in our place. We had fewer kids this week, but we had lots of sensory play fun, made some sculptures with pipe cleaners, talked about our emotions, and tried out a new obstacle course.

**5K—Mrs. Jammer**— Report cards came home Tuesday. Please sign and return the empty envelope. This week we are studying letter Pp and have read 4 stories. You can find them on Superkids Online Fun for further practice. It was fun making a **pizza** for art and using a **parachute** in gym class. Don’t be surprised if your child asks you to make **peanut butter** cookies. God used his **power** to help David fight Goliath. We can **put** our trust in God, too when we are afraid.

**1—Mrs. Blum**—Report cards were sent home on Tuesday and I have almost all of the signed envelopes returned. Thank you! If you would like to have a conference with me, please reach out and let me know. If not, know that I will contact you during the 4th quarter if there is anything I’d like to sit down and discuss with you, but otherwise, there are no more formal conference times for the school year. Also, 1st and 2nd graders sing in church this Sunday at 8:00am!

**2—Mrs. Bakeberg**—Grades 1-2 sing this Sunday, April 3rd, in the early service. We will meet in our classroom at 7:40 to warm up. This week we started our next life cycle endeavor, planting brassica seeds. We are now watching the darkling beetle life cycle (the mealworms) and the brassica life cycle. A new one will be starting soon! Please sign and return the report card envelope if you haven’t already.

**3— Mrs. Walkley**—Report cards came home on Tuesday. Please return the envelope if you haven’t already. Last week a yellow half sheet came home to sign up for the Easter service the students will be singing in. Please return that ASAP as well. Please check with your student to make sure they have pencils. Many students are completely out, and my classroom supply is dwindling quickly. Books for the book report need to be chosen by Monday so we can start reading. Our test for all 50 states and capitals will be May 23. Have a great weekend!

**4— Mrs. Hepner**—After this week, we are done with testing except for a few who need to make-up theirs. Hopefully April means warmer weather, but until we see that happen, please make sure your child is coming in clothes appropriate for the forecast. We are starting to practice our song for Easter, return the form as soon as you can to the office for service preference.

**5 & 6—Mr. Jammer**—Please return the report card envelope signed if you haven’t already done so. Our classroom, grades 5&6, will be taking the Wisconsin Forward Tests next week. Our daily schedule and classes will be somewhat different as these tests are taken throughout the week. Be sure to get a good night’s sleep and a good breakfast so our minds are fresh and sharp! A thank you to Mr. Schaeve for being our “guest” art instructor the past few weeks. He taught a few lessons on drawing.

**7 & 8—Mr. Brennan**— Report cards were sent home Tuesday, March 29th. If you have any questions about the report card please contact me by email ([jared.brennan@stpaulgreenbay.com](mailto:jared.brennan@stpaulgreenbay.com)) and we can talk or set up a meeting. Please have your student return the envelope after you have signed it. I would like to thank the 8th graders for their service to the school and church this past Wednesday. While 7th grade was away at FVL, the 8th grade helped the church and school by doing some spring cleaning and organizing, as well as assisting in the preparation for the Lenten supper on March 30th. Currently the 7th and 8th grade have an ongoing project for literature. They are partnered up and will give a brief analysis of one of the chapters of our current book, “That Was Then, This Is Now” by SE Hinton. Feel free to ask them questions

**Athletics**—The track practices start Tuesday, April 5. (For information concerning our league visit our Fox Valley WELS Athletic League website [fwwal.org](http://fwwal.org).)
