## CLASSROOM NEWS

**3/4K—Mrs. Nelson**—We are exploring geoboards, engineering with new building toys, moving to music, playing Candyland, and finding lots of gym activities for all our rainy day recesses! As we learn about Palm Sunday, we are using our voices and actions to follow Jesus as our Savior and King.

**3/4K—Mrs. Zabell**— We praise Jesus as our Savior and King, just as the people did on Palm Sunday. We are learning how Jesus came to take our sins away and we are so thankful! Also this week we worked more on numeral recognition and ordering with different card games, played with new builders, tested our memory skills and brought a lesson in gravity into our art time with a paint dripping activity.

**5K—Mrs. Jammer**— Report cards will come home March 29. Please sign and return the empty envelope. This week we are learning about America, fast and slow tempos in music, and began our study of letter Pp. Keep practicing counting to 100 by 1's, 5's, and 10's and recognizing numbers 1-100. Book orders from Scholastic are due Wednesday, March 30. ([scholastic.com/readingclub](http://scholastic.com/readingclub) Code: J3BC4) Blessings on your weekend!

**1—Mrs. Blum**—As we move into the 4th quarter, we will be working more and more on having a growth mindset and on pushing ourselves to embrace productive struggle when learning, so that our minds, hearts, skills and attitudes can grow. Some students do not like it when learning is a challenge and they want help immediately or choose to quit. Encourage your child to do their best, embrace the struggle and celebrate when they persevere and learn new things! Thanks for your support!

**2—Mrs. Bakeberg**—Grades 1-2 sing at St. Paul on Sunday, April 3rd in the early service. We will meet in our classroom at 7:40 that morning. We have begun our life science unit; the mealworms have arrived! Second graders were doing research on their own this week, looking up mealworms in books to see what they will turn into. They discovered that we will eventually have beetles! I love that they were inquisitive enough to do this on their own. That's what our FOSS Science is aimed at: that children will be discoverers and ask questions as they are learning through hands-on experimentation.

**3— Mrs. Walkley**—I hope everyone had a nice and relaxing spring break! Report cards for the 3rd quarter will be coming home on Tuesday; please sign and return the envelope. Next week 3rd grade will be doing Forward Testing. Please make sure your child eats breakfast and gets a good night of sleep. As we start the final quarter, we want to keep working hard to finish the year strong. Please continue checking planners to make sure all work is getting finished. Start looking for a book report book, and get started on learning/reviewing those states and capitals. Have a great weekend!

**4— Mrs. Hepner**—Here's to the start of the final quarter. Next week we are doing our forward exams. Make sure your child gets plenty of rest and starts their day with a healthy breakfast. Watch for report cards as they will be making their way home early next week.

**5 & 6—Mr. Jammer**—Look for your child's 3rd Quarter report card this coming Tuesday, March 29. Please sign the envelope and return it to school Wednesday. Online book orders are due Wednesday, March 30.

**7 & 8—Mr. Brennan**— The 4th term has begun. Parents of 8th graders, they only have 1 term of elementary school left before high school! With the end of the school year in sight it will be important to keep the kids focused on what they need to be doing between then and now. Report Cards will be handed out next week. If you would like to discuss anything about them please contact me. The 7th grade class will be attending the "Discover FVL" event that is coming up next week Wed. ( March 30th) A note was sent home please return it with your permission ASAP. 8th Grade will remain at school and work on their plans for the banquet night at the end of the year. 8th grade will also partake in a few service projects for the church and school.

**Athletics**—The track season for boys and girls in grades 5-8 begins Tuesday, April 5. Detailed information was sent home Monday. (*For information concerning our league visit our Fox Valley WELS Athletic League website [fval.org](http://fval.org).)*
