

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

I am so grateful to everyone who has taken the time to stop by and say hello in my first two weeks. As a staff, we are excited to get to know all our families a little bit better in the days and weeks ahead. We hope to see all of you at registration on July 25 or August 3. As a reminder, please take a few moments to sign up for a "registration slot" by clicking this [link](#).

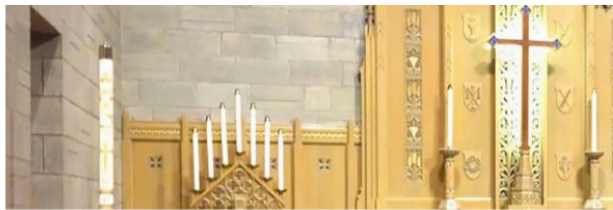

UPDATES

Video Devotions: Did you know that the St. Paul pastors publish video devotions on a regular basis? You can view these devotions on the St. Paul Youtube channel or you can click [here](#) to see a complete playlist.

Built on the Rock: We saw many of you at the groundbreaking ceremony on Sunday. We continue to thank God for the many gifts, prayers and talents that have gone into making this project possible..

Summer Cleaning & Maintenance: Summer deep cleaning is close to being completed, but a little help is still needed. Becky will be continuing the work on the first floor and finalizing the 4th grade and 7/8th grade classrooms. When that is finished, we will be working on the 3K & 4K rooms as well as the fellowship hall. We are getting close, but additional help is still needed to get us ready for the start of school. If you are able to come on a Saturday morning or afternoon -- or maybe for a weeknight evening shift (like from 6:00-8:30ish?), please reply with your availability to beckyrconard@gmail.com. The more people we have, the faster this will get done. We ask that every

family consider sharing a bit of their time to get our school in tip top shape in the month of July. Bring the kids, they may just get the chance to clean their own desk!

Art Schmidt and his team have been working to knock out various maintenance issues identified by the staff, including minor repairs, washing the exterior windows and making sure every classroom and hallway floor is cleaned and looking brand new. Thank you Art and team!

Vacation Bible School 2022 runs from July 25-29, 9:00-11:30 A.M. *God's Wonder Lab* is this year's theme, focused on Jesus' miracles (He does the impossible!) connected to science lab experiments (exploring what is possible). Registration is open. You can pick up a sheet at church or sign up online by going to vbsmate.com/stpaulgreenbay. Please invite friends and neighbors to join your children for *God's Wonder Lab*!
