

THE EAGLE

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

Thank you!! - on behalf of the PTO, we would like to extend a heartfelt thanks to all who volunteered to help make our basketball tournament a success!! Thank you for the food donations, monetary donations, members who volunteered their time to work a shift, coaches, players, cheerleaders, referees, members who set up the digital displays and program booklets. We thank God for the talents he has given each of us to spread his word and honor him in all that we do!

CLASSROOM NEWS

3/4K—Mrs. Nelson—Painting, coloring, cutting, hole punching, and taping are favorite activities lately. We've also been busy with blocks, balloons, and books. We learned about Jesus doing a miracle and feeding a huge group of people. He gives us what we need and even uses us to help others.

3/4K—Mrs. Zabell— We learned how Jesus cares about our souls AND bodies when we heard of Jesus feeding more than 5000 people. This week we moved our bodies in different ways, talked about our emotions, and made melted snowman art.

5K—Mrs. Jammer— In Christ Light we have been learning that God had important jobs for Moses, Joshua, and Gideon. He also chooses us to work for him by telling others about Jesus. Other ways we also work for him are obeying our parents, working hard at school, and helping our siblings and friends. We enjoyed our school wide Scavenger Hunt last Wednesday with our BASIC groups.

1—Mrs. Blum—Our musical is fast approaching and the kids are learning their lines, songs and actions. Please bring your child's costume to school by Wednesday, February 23rd. Also, our next field trip is coming up on March 1st. A permission slip will be coming home soon. We are going to see a musical at FVL. We have a bus for transportation and will not be taking parent chaperones as there were very limited numbers of tickets for the performance. Thanks!

2—Mrs. Bakeberg—The musical is improving every day; we are learning a lot about speaking clearly and staying together as a group. In Christ Light we are studying the judges that God sent to guide his people. "Greater than" and "less than" symbols are new to our math pages, and subtracting four is our latest group of math facts to memorize. We are making a book about animal facts that will be fun for the whole class to enjoy in the reading corner as soon as everyone is finished with their page.

3— Mrs. Walkley—3rd grade is going to celebrate "twos-day." On Tuesday, February 22 (2/22/22) students can wear any "two" sounding items like a tutu, toupee, tunic, tube socks, two ties, two bows, etc. The states and capitals test is coming up in a week and a half, so keep studying! All students received the packet for this month's book report before break. Once it's all filled out, they can bring it back and I'll help them assemble it. Have a great weekend!

4— Mrs. Krug—First of all, thank you for all the Valentine's cards, gifts and well wishes. I appreciated them all. I hope you enjoyed your extended weekend. Next Tuesday is 2's day – 2/22/22/. In honor of the day, we will be having a Twin's Day. Your child and another classmate can dress alike. It is nothing they have to do, only if they would like to participate. We will also be doing some fun activities throughout the day. Hopefully 2's day will be a break from the winter doldrums. Also, a reminder that it is an early release day so on 2/22/22 you will be released at 2:00.

5 & 6—Mr. Jammer—Check out our "Bing Dwen Dwen" art projects hanging in the hallway outside our classroom. Go USA! We started our discussion on the 2nd Article of the Apostles' Creed Tuesday.

7 & 8—Mr. Brennan— The last week of basketball and cheer is upon us. The tournament will be exciting this upcoming weekend, and as a result I know I will try and keep assignments to a minimum. Now, following the end of basketball and cheer there tends to be a slide as less going on doesn't translate to more focus on academics all that often. With a SS project due on the 4th of March it would be very much appreciated to guide 7-8 grade towards focusing on completing this project. While I will be giving work days in school, some of the work may have to be done outside of school. Students each have an inventor to study and create a 3 minute presentation about. A link will be emailed out to parents to view the requirements of the project.
