CLASSROOM NEWS

7 & 8-Mr. Brennan

5 & 6-Mr. Jammer

Talking and transition is something our classroom really needs to work on. Now that the school year is well under way, we're still having difficulty in transitioning from lesson to lesson or in-out of the classroom. Private conversations during lessons and study time also need attention. The end of the 1st Quarter is Friday, October 14. Remember you can track your child's progress through your PowerSchool account. Be looking for your child's report card the following Tuesday, October 18.

4-Mrs. Hepner

I am still missing quite a few parent approvals for the Pizza Hut book it program. I am sending home another form this week for you to set it up. As quarter 1 is ending, our focus is on our work time and how to use it properly, especially our daily end of day study hall at 2:30pm. If your child is going home with excessive amounts of homework, please reach out to me so we can talk about how they are using their time here at school.

3-Mrs. Loescher

This week, we finished up our novel, Charlotte's Web with a fun Venn Diagram project. We also finished our study of water & ice in Science. On Monday, new Memory Treasure calendars for the second quarter were sent home. Information was also sent about Book-It, the program by which third graders can earn a free personal pizza by reading 200 minutes this month!

K-Mrs. Jammer

This week we began reading our first few words: God, dog, add, odd, dad. Our list of words will grow quickly with each new letter we study. Report cards will come home Tuesday, Oct. 18. The envelope should be signed and returned. All papers in it will be yours to keep. There will be parent teacher consultations after school and in the evenings on Nov. 1 and 3.

3K & 4K-Mrs. Zabell & Mrs. Nelson

God was with Joseph, working all things out for his good and God is always with us, and has heaven waiting for us! This week we made fall splatter trees, added arches to our block area, worked on color and shape identification, enjoyed more nursery rhymes and moved our body in different ways with body position cards. 1st quarter assessments will be coming your way just prior to your parent/teacher meeting, which will be scheduled soon.
