CLASSROOM NEWS

3/4K—Mrs. Nelson—This group has become so excited about letters and sounds that we are getting lots of interruptions during morning message and Bible time! We've been working on songs and words for the Christmas service on the 18th. Next week we will focus on the wonderful story of Jesus coming to earth to be our promised Savior!

3/4K—Mrs. Zabell—Our lesson about the three men in the fiery furnace taught us there is only one true God, and he alone is deserving of our worship. This week we made shaving cream process art, worked with patterns using paper chains and plastic links and did some problem solving with ramps and cars. Check out our classroom wishlist on the Facebook page to contribute to our gift opening on December 21st.

5K—Mrs. Jammer—We are now on letter Ff with Superkid Frits. It is amazing how many words we are able to sound out along with a bunch of sight words that we know. Group Christmas rehearsals begin next week. We will have a classroom gift exchange on Dec. 21. Boys will bring a gift for a boy and girls for a girl. (\$5 gift) Label to boy/girl and say who it is from. It can be sent to school anytime.

1—Mrs. Blum—First graders love playing in the snow! Please remember to send all their snow gear each day and to dry it at night. Thanks! Also, as soon as you have purchased and wrapped your child's \$5 gift for the classroom exchange, send it to school and your child can put it under the Christmas tree. Thank you!

2—Mrs. Bakeberg We have begun a new science unit, Solids and Liquids. Right now we are learning properties of solids and the materials they can be made from. Our Christ Light lessons have been some favorites: The Plagues and The Crossing of the Red Sea. God showed his great power to Pharaoh, the Egyptians, and the Israelites. He still uses his almighty power to help us today, but in different ways. Our school Christmas service is coming up soon on Saturday, December 18th. The students attend both services (2:00 and 4:00).

3— Mrs. Walkley—It's beginning to look a lot like Christmas! Keep an eye out for an email or a note from me about our party coming up. Don't forget all students sing in the St. Paul Christmas Service next weekend. Also coming up are 2nd quarter book reports on Tuesday, the 14th. We've been working on problem-solving and taking responsibility for our words and actions, even when something's an accident. Please keep encouraging that at home as well. Have a great weekend and stay healthy!

4— Mrs. Hepner—Book reports are due next Friday! How far along is your student on their windsock project? We have been working hard in the classroom on getting ready for our Christmas service. This week we look at the (ch) sound in our words for Spelling class. Keep working on those multiplication facts and start adding in division as many of us are getting close to switching to division in rocket math!

5 & 6—Mr. Jammer—We have been practicing our recitations and songs for the Children's Christmas Service on Saturday, December 18 (2:00 & 4:00

pm). Remember that the children are asked to be here and participate in both services. For planning purposes, let's look ahead to our classroom Christmas party on Tuesday, December 21. 1) Looking for a volunteer or two to help organize games/activities for our afternoon party. If you are willing, please let me know. 2) We will accept any food (*snacks, cheese/sausage & crackers, chips, cookies, goodies of any sort...*) and drink (*soda, water, juice...*) donations for the party. If you plan on donating any of these items, please let me know. Our class will be having a gift exchange (\$5.00 gift - boys bring a gift for a boy, girls bring a gift for a girl) among the students.

7 & 8—Mr. Brennan—One week before the Children's Christmas is where we currently find ourselves. An exciting and busy time of year. I simply ask that we try to stay healthy and motivated to do our best. Great job singing this Wednesday in the Advent service! Projects for reading and History are due in the upcoming weeks. (Dec 17th Reading and Dec. 21st History) With basketball, cheer, Christmas service preparation, and the other events that come with the holiday season please help your child stay focused on school work, but more importantly on the reason for the season.

Athletics—All basketball and cheer parents should have received an email containing a volunteer sign-up for various jobs during our home games. If you did not receive this email, please contact our PTO rep, Lisa Holley. Home BB games vs Riverview, Appleton tomorrow, December 10 (Girls B - 4:30pm, Boys B - 5:30 pm, Boys A - 6:30 pm).
