

THE EAGLE

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

Colder weather– means warm coats, hats and mittens. Please dress appropriately. As we start to get more snow you may want to send along an extra pair of mittens. Make sure you send boots too. If there is any snow students are required to wear them. We may not have time to get them dry before the next recess.

Winter Weather Closing -its that time of year again. Please watch for your emails, Facebook and/or WBAY– Channel 2 for information if our school is closing due to weather. St. Paul follows the Green Bay Area Public School District. When Green Bay is late, closed or dismissing early, so are we.

CLASSROOM NEWS

3/4K—Mrs. Nelson—We're exercising our observational and visual discrimination skills in a variety of ways this week. We also went up to the balcony to see how the organ works, plus we had the school librarian, Mrs. Reineck, read to us. We learned that Jesus obeyed his parents and his heavenly Father perfectly and that we show love for God when we obey.

3/4K—Mrs. Zabell—Thanks to Mrs. Mendolla, who has been teaching for us this week! The children learned how Twelve Year Old Jesus honored God's Word and his parents, keeping the commandments perfectly in our place. This week the kids enjoyed working with collage materials, numeral and letter recognition, and large motor skills. Stay warm and healthy everyone!

5K—Mrs. Jammer—Please sign and return report card envelopes if you haven't already done so. Tomorrow is the field trip to the Children's Museum in GB. Send car seats and masks. Drivers should be here at 2:20. We have begun practicing our church song for Sunday, Feb. 6. We have also started learning to play handbells for part of our pre show entertainment for the Saturday night performance of the grades 1-3 play on March 5. Please make note of both of those important dates.

1—Mrs. Blum—Thank you for the Kleenex and pencils. We really appreciate it. We have begun listening to the songs for our 1st - 3rd grade musical that is coming up in March. We will be sending out more information as parts are assigned and kids learn more about their roles. We had a great time on our field trip this week. Thank you to the chaperones who came along and helped it go smoothly!!!

2—Mrs. Bakeberg—Thank you to the parents who were able to drive and help at Barkhausen on Tuesday. What a fun day! We always learn so much there; it's a great experience. Report cards were sent home on Tuesday; please sign the envelope and return it to school for use again after third quarter. Our grades 1-3 musical is coming up on March 4th and 5th (two performances this year). Watch for a note from me this week explaining costumes (nothing too hard). If your child is not able to be there for both performances, let me know now. I don't want to give a character part to someone who will not be there.

3— Mrs. Walkley—With all the sickness going around, please continue to monitor your child for any symptoms. If you could please check with your child and see if they need to replenish school supplies. Many are running low or completely out of things and my reserve supply is quickly being used up. This would be a great weekend to jet out and make sure your student has what they need to finish the year. We could also use more disinfectant wipes if you are able to grab a container for the classroom, it would be appreciated. We don't have school on Monday to recognize Martin Luther King Jr Day. We will see you Tuesday for the start of Spirit Week! Start tackling those states and capitals and picking out that book report book! Enjoy our long weekend!

4— Mrs. Krug—We have been slowly getting back into the groove of things since Christmas break and adjusting to a different teacher. I've enjoyed working with this group of children. One thing I would like to remind parents is to look over your child's assignment notebook. Did they finish all their assignments? Please sign the notebook. This is part of your child's responsibility as a fourth grader to finish their assignments and then to show you so you can sign off and

confirm that all assignments are completed. Thank you, parents, for your help! This past week we talked about mercy. How God has mercy on us a sinner. How thankful we are that Jesus paid for all our sins. What a wonderful gift that your children get to hear about every day in school! Reminder: next week there is no school on Monday. Enjoy your long weekend!

5 & 6—Mr. Jammer—Please return the report card envelope signed if you haven't already done so. Looking ahead, our classroom sings here at St. Paul on Sunday, January 23, in the 10:30 am service and in the monthly Prayer at the Close of Day service on Wednesday, February 2 - 7:30 pm. We started a watercolor unit in art. In Christ-Light, we are studying the Old Testament and are at the time period of Moses and the Children of Israel heading to the Promised Land (Canaan).

7 & 8—Mr. Brennan— Report cards for the second term have been sent home as well as conference request sheets. If I indicated I would like a conference contact will be made to set up the best time. If you want a conference you may request one as well.

With the 3rd quarter starting it is easy to get cabin fever or let basketball or cheer distract from homework, let's work together to prevent this.
