CLASSROOM NEWS

3/4K—Mrs. Nelson—We enjoyed a play at the Weidner Center, worked on 1:1 correspondence, played bug matchup, and tomorrow we'll brainstorm how to pop the balloons that are lingering in our classroom. We talked about calling on God when we have troubles, just like Peter did when he called out, "Lord, save me!"

3/4K—Mrs. Zabell— This week we learned how to call upon God with any problem we have. We worked with beads to improve our fine motor skills, painted with vinegar and tissue paper to make prints, experimented with geoboards, and enjoyed seeing the "Pout Pout Fish" at the Weidner Center. Thanks to our parent drivers! Don't forget our entertainment at the start of the gr 1-3 play next Friday (March 4).

5K—Mrs. Jammer— We are doing lots of reading in Kindergarten. Please go on Superkids Online Fun often to practice reading the books at home, too. As always, have your child practice the word sheets and sight word booklets that come home. As the end of 3rd quarter approaches, individual assessments are being done with shoe tying, writing first and last name, letter name, sound, and sight word knowledge, counting to 100, number recognition, etc. Let me know ASAP if your child will NOT be there for the pre-show entertainment on Sat., March 5 at 6:30 pm.

1—Mrs. Blum—Thank you for sending in your child's costume on time! We are very excited to perform for you next week. :-) We are also looking forward to our field trip next week to watch the FVL students perform. It will definitely get us excited about putting on our own musical when we get to see them do their musical. We will perform on both Friday and Saturday night, March 4th & 5th at 6:30pm.

2—Mrs. Bakeberg—This week we learned about Samson's gift of great strength and how he used it to serve God. We each have been given different abilities with which we can serve God, too. In grammar we have been learning about common and proper nouns and how to use them in our writing. We are on to the subtracting 5 family in math already, and tangrams were a fun thing we used in math this week. Next week is our final week of rehearsals for the musical. It's getting so exciting!

3— Mrs. Walkley—Tuesday we'll be going to FVL to see The Little Mermaid. Please return the permission slip as soon as possible. We've also been working hard on our own play, "A Race to the Finish," and we're excited to present it next week! Please send in your child's costume Monday or Tuesday if you haven't already. The states and capitals test is Monday. I posted online quizzes to practice with on our Facebook page; let me know if you'd like them sent to you separately. Book reports are also coming up in about a week. Once all the pages for the project are filled out, they can bring it back and I'll help them assemble it. Have a great weekend!

4— Mrs. Krug—The 4th Graders enjoyed a break from the normal routine on 2/22/22, but still had fun learning with all the Twosday activities. Parents, look on our Facebook page to see pictures from our day. Next Tuesday we will be going to FVL to see the production of the Little Mermaid. Please return your permission slip asap. Our capital's test is coming up soon - this Monday, Feb. 28. An email was sent to your child with links for an easy way to quiz them on the States and Capitals. We have worked on them briefly in school and some need to study. Please check that your child is ready for Monday's test. Memory Treasure Hymn has changed for March 2. It is still Hymn 715 but they will recite v. 5 not v.2. We will be singing this verse in church on Wed, March 9. A copy of the hymn came home today.

5 & 6—Mr. Jammer—Tuesday we are attending FVL's performance of "The Little Mermaid." All permission slips need to be returned by tomorrow. A thank you to our chaperones/drivers which makes this trip possible.

7 & 8—Mr. Brennan— Next Week Tuesday 5-8 are heading to FVL to see the musical in the afternoon. The play starts at 12:30 PM. As a result of this, 5-8 will be eating lunch earlier that day. We plan to return by the end of school but may also be slightly late, depending on traffic. Mr. Jammer has requested that all uniforms for basketball and cheer be returned as soon as possible. The 7-8th graders are in the final stage of their history projects and should be recording presentations soon. The due date is still 3/4/22. However, an added work day may be given to help assess any needs the students may have.
