

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

FROM THE PRINCIPAL

The Eagle will be taking a week off to rest its wings. We pray that you are also able to take some time off to be with family and friends and reflect on everything we have to be grateful for as Christians. As God's children we can rest assured in the knowledge of our eternal home in heaven, while also being able to enjoy the wonderful bounty he has given us here on earth. May God be with you as you travel or as you invite guests into your home. Don't forget to join us for Thanksgiving worship on Wednesday at 6:30 PM or Thanksgiving Day at 9:00 AM.

We will also have an early release on Tuesday, November 22. All students will be dismissed at 2:00 PM. Any students not picked up by 2:10 PM will be brought to after school care.

Enrollment Inquiry & Advent Service Attendance Forma

On Thursday, November 17 two forms went home with students. The first form, the [Advent Service Form](#), will help us plan for our upcoming Advent Service on November 30. Please either complete the form [online](#) or return the paper form by November 22.

The second is an [Enrollment Inquiry Form](#) that will help us plan for next year. Prompt completion will allow us to ensure we can effectively plan for the 2023-2024 school year. You can also complete this form [online](#). We are asking you to return it by December 13.

Playground Update

Our new playground space has given us an opportunity to add a new element to our playground. We will be looking to add a GaGa Ball Pit. Our PTO has graciously offered to fund this project. Now we just need someone to coordinate and 5-6 adults to assist with building it. If you have never heard of Gaga Ball before, you can click on [this link](#) to find out more. If you are able to coordinate or assist with the build please email Mr. Miller at stephen.miller@stpalugreenbay.com or text him at (920) 328-5054. You can find a DIY set of plans [here](#), although we are looking to have 10 ft walls for our build.

A Sample Gaga Ball Pit

Childcare Update

By God's grace we have been able to offer a childcare program before and after school, but we are still in need of subs as well as after school workers beginning on January 5. If you feel this is an area you can serve in, please contact Mrs. Brittany Rivers in the main office at brittany.rivers@stpalugreenbay.com or call (920) 435-8468. We know that this program serves a definite need for our working parents and we appreciate all those who have willingly given their time to support this work. We are also taking a preliminary look at providing childcare over the Christmas break. If we have enough workers, we will be sending out a preliminary interest form when we return from our Thanksgiving recess.

Student Attire

Just a quick reminder that as of November 1, shorts are no longer allowed at St. Paul outside of sports or gym class. Also, please make sure to send children to school with a winter coat, hat and mittens or gloves. Listed below are the recess guidelines from the student handbook (pp. 17-18):

- Unless there is a written excuse from home due to illness or injury, children may be asked to go outdoors to get some fresh air during recess periods.
- Children should always come prepared for outdoor weather.
- If the temperature is under 60 degrees F, children will be asked to wear something to keep them warm (jacket, sweatshirt, sweater, hat, mittens, etc.).

If the temperature or wind chill is below 9 degrees F, recess will be held inside.

Students at Recess During our First Snowfall on November 15

SCHOOL NEWS

Athletics-Mr. Jammer

Monday, November 21: Home BB games vs Trinity, GB

- Girls B - 4:00 pm, Boys B - 5:00 pm, Boys A - 6:00 pm.
 - Still need two volunteers to fill two spots: Scorebook for Boys A and Clean Up. If you do not have access to the Winter Sport Volunteers Sign-Up, please contact Mrs. Rivers in the office.
- Basketball/Cheer pictures (individual and team) will be taken on:
- Monday, November 28 - Girls B (3:15 pm) / Boys A&B (4:45 pm)
- Tuesday, November 29 - Cheer (3:15 pm)
- Be sure to bring your uniform that day of practice.

Junior Choir - We sing this Sunday, November 20th, in the late service. Please meet in Mrs. Bakeberg's room at 10:10.

Technology- Mr. Brennan

We are currently taking bids for a recabling project for the school, as we expand this is a critical update to our network.

NOVEMBER 17, 2022

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

Extended Learning- Mrs. Plitzuweit

With the snow comes sniffles and germs right? Unfortunately, Mrs. Zabell has been out sick this week which has resulted in pullout sessions being canceled for the students she sees. We thank you for your patience and understanding. Please pray she is returned to health and will be meeting with your children as soon as she can. I thank you all for your communications so far. Keep them coming! I will do the same as I work to follow up on any and all of your requests and conversations. I pray you all have a blessed Thanksgiving!

PTO

We are hosting the first Advent Supper this season on November 30th. Some of the board members will be making soup but we could use some help with other things. Check out this [sign up](#) and see if there is anything you can do to help. If you missed the meeting on Monday, want to vote on the upcoming [Family Night](#) movie, and want to see what else PTO has been up to - visit our [Facebook Page!](#)

CLASSROOM NEWS

7 & 8-Mr. Brennan

Basketball,Cheer, deer hunting, Thanksgiving, and Christmas preparation, our next few weeks are busy. In an effort to add to that I would like to remind everyone that 7-8th grade do have a South America Project (with a partner) due Dec.1st.

I would like to thank the students for their hard work and effort on their Bible History Fair projects. I also would like to congratulate; Isaac, Jackson, Lily, Michelle, Kane, Eric, and Asher for their participation in the FVL Math Bowl.

Happy Thanksgiving!

5 & 6-Mr. Jammer

Have a Blessed and Happy Thanksgiving. Grades 1-8 will be singing in the first Advent service (3:45 pm or 6:30 pm) on Wednesday, November 30. We have been learning and practicing our songs and recitations for our coming Children's Christmas Service (2:00 pm, 4:00 pm) on Saturday, December 17.

4-Mrs. Hepner

We are looking forward to our Field Trip tomorrow to the Building for Kids! Thanks again to all the parents who took time to chaperone. I truly appreciate the time you gave for us. We are in the process of writing the body of or informational stories. The students are working hard on those stories. As we continue with our novel, Because of Winn Dixie, the students are learning how to take notes about the chapters that are more than just what is given to them in the text, but what could be inferred from it as well.

3-Mrs. Loescher

It has been a busy week! The third graders were excited to finish our latest novel, Stuart Little. We have now moved on to another classic - Sarah, Plain and Tall. We are looking forward to our field trip tomorrow to the Building for Kids - especially the "Coding with Ozobots" class! Thank you so much to those who are volunteering as chaperones!

2-Mrs. Bakeberg

We have begun working on personal narratives in creative writing, focusing on having beginning, middle, and ending parts. In all independent writing, we are working on spelling words correctly according to strategies we have learned in spelling and reading, rather than just writing down a couple of letters that are heard in the word. Second graders can spell correctly if they make an informed

effort! This Thanksgiving, I hope you are able to spend time in worship with your family, thanking God for the countless blessings he has given to us. Coming up after Thanksgiving, grades 1-8 sing for the November 30th Advent service at 3:45 or 6:30.

1-Mrs. Blum

We are working on building stamina for learning and work in first grade. As we learn about having a growth mindset, we are realizing how important it is to begin and get to work when starting something new, instead of avoiding it or distracting ourselves. Keep encouraging your child to do their best and to have a positive attitude toward new learning! Thank you for your support!

K-Mrs. Jammer

Our newest math topic is "Understand Addition." We are having fun learning about wood and seeing what happens when you put drops of water on it, try to sink it, and sand it. In Christ Light we learned how Jesus teaches us not to worry, but to cast all our anxieties on him. We began practicing our songs and recitations for the Children's Christmas service which is Saturday, Dec. 17 at 2:00 and 4:00. 5K-8 participates in both services. It is early release on Tuesday followed by Thanksgiving Break (Nov. 23-25). Happy Thanksgiving!

3K & 4K-Mrs. Zabell & Mrs. Nelson

Pumpkins and turkeys are keeping us busy these days! We started a science project where we will watch a pumpkin decompose. We're making turkeys with play-doh, playing a roll and dot turkey game, working with rhymes, and talking about our favorite foods. As we hear about Jericho and about David and Goliath, we are seeing how God always takes care of His people with His almighty power!

FROM THE OFFICE

The office will be closed on November 24 and 25.

The Cookie/Candy Fest is coming up on December 4th. Donations of cookies or candy can be delivered to the kitchen on Friday, Dec. 2nd or Saturday, Dec 3rd before 9am. Platters will be assembled on Saturday, beginning at 9 am. Anyone who wants to help with that is welcome to come. Please call Lois Reineck with any questions (920-660-7713)
