## CLASSROOM NEWS

**3/4K—Mrs. Nelson**—We have been busy with a bunch of big cardboard boxes, using them to create houses and cars, as drums, and for lots of cutting and taping and pounding work. And this week we finally got to hear that Jesus loved me so much that He died for MY sins!

**3/4K—Mrs. Zabell**—We heard how Jesus willingly suffered and died on the cross to save us from sin. What love! We have been learning our Easter Sunday song, measured items in our classroom, drew some self-portraits, painted with magnets and strengthened our fine motor skills with cutting and gluing colored paper collages. 4K kids are getting better at writing their first and last names and we all are good at recognizing our classmates' names.

**5K—Mrs. Jammer**— Today we began our study of letter Ww. At this point in the year we are doing lots of reading in our Superkid's book along with reading additional books that can be found on the Superkids Online Fun app. Please take time to do some one on one reading practice at home. The benefits of this are huge! Also don't underestimate the learning that takes place when you read books to your child. Our new FOSS unit is Animals Two by Two (Life Science). We are learning about goldfish and guppies, our newest additions to the classroom. We're continuing to write an All-About (animal of our choice) book in writing class.

**1—Mrs. Blum**—In our devotions each day, we are reading about Jesus' life here on earth and his journey to the cross. We are so grateful that he loved us so much to die for us and take away our sins. We are also really looking forward to our home in heaven with him! First graders wrote opinion paragraphs about why they think kids should go to a Christian school. Their reasons are wonderful! Look forward to seeing these come home in folders in the days to come!

**2—Mrs. Bakeberg**—Thanks for bringing your children to praise our God last Sunday; they sang beautifully! Next, the whole school sings for Easter Sunday (April 17th). Your child sings in the service for which you signed up. We started our next life cycle this week with milkweed bug eggs. With this bug, we will hopefully witness incomplete metamorphosis (a nymph stage). Second grade has been hit pretty hard with illness in the past two weeks; I pray they are all healthy soon.

**3— Mrs. Walkley**—I'm still missing a few report card envelopes, so please send those back if you still have them. Next week is Holy Week! Palm Sunday (4-10), children are invited to sing and wave palm branches. We have no school Good Friday (4-15), but we will be singing on Easter Sunday. Please keep working on memory work at home, especially the hymns. Book report books have all been chosen and approved so start reading and filling out the reading log! Keep studying those states and capitals. Have a great weekend!

**4— Mrs. Hepner**—Happy Spring! The rain and snow doesn't look like it will be going away anytime soon. Recesses are still outside unless it's raining, so jackets and boots are still needed depending on the weather for the day. Check assignment books for completion of homework as some are forgetting papers in their desks or not turning in work on time. Next week is a short week with Easter! Last order of business, pencils seem to be disappearing out of our desks. Ask your student if they are in need of more.

**5 & 6—Mr. Jammer**—As a class, we finished the Wisconsin Forward Exam. Those students who were absent Monday and/or Tuesday will be making these tests up in the coming days.

**7 & 8—Mr. Brennan**— A note about a field trip on 4/20/22 will be coming home soon. We are planning on going to a Brewer game and attending a science event held at the stadium. We will be looking for 5 chaperones if possible. Currently the 7th and 8th grade have an ongoing project for literature. They are partnered up and will give a brief analysis of one of the chapters of our current book, "That Was Then, This Is Now" by SE Hinton. Feel free to ask them questions about it.

**Athletics**— Track practice started this week. Be sure to watch the weather forecast and plan to dress accordingly. Most practice activities are done outside. Trinity, Brillion, will **not** be hosting a track meet this spring. No track meet on Saturday, May 7, as printed on the calendar.
