## CLASSROOM NEWS

**3/4K—Mrs. Nelson**—We have been painting, building and playdoh-ing, we are engaged in imaginary play with dinosaurs, dollhouses and giant boxes, and we added some Easter egg matching activities to the mix. He is risen indeed!

**3/4K—Mrs. Zabell**— We continue to bask in the joy of Easter! We heard how Jesus proved he was alive and appeared to Mary and the disciples. We had fun playing Easter Bingo, recalling the events of Holy Week and Easter. We listened to shaker eggs, discriminating sounds and finding matches and we practiced our engineering skills by stacking plastic eggs with play-doh.

**5K—Mrs. Jammer**—This week we began our study of letters K and Q. In writing class we began planning a character for a fictional story and also deciding on a problem and solution. Over the next couple of weeks we will write our story and illustrate it, too. The Kindergarten class will be providing entertainment for the Ladies Aid Luncheon in May during the school day. Blessings on your weekend!

**1—Mrs. Blum**—First graders are participating in activities in every subject area that are helping them prepare for 2nd grade. They are encouraging each other as they experience productive struggle and persevere through challenging learning activities. They are solving problems with friends using their words, apologizing when needed and forgiving each other in love. They are gaining more independence each day, setting learning goals and making choices for their learning. It is exciting to see them continue to grow together!

**2—Mrs. Bakeberg**—Thanks to our drivers who drove for the field trip today! This week we learned about unbelievers such as Ahab and Jezebel, and how God wants us to use any opportunity to share his Word with them, too. We just plant the seed, and God makes it grow! We are busy observing and making drawings of changes in the classroom life cycles. We had all 21 students here on Tuesday, the first time in a LONG time. Woo hoo!

**3— Mrs. Walkley**—I hope everyone had a great Easter! 3rd and 4th graders will be going to the Manitowoc Maritime Museum in the morning on May 6. Keep an eye out for the permission slip, which will also have a section to sign up if you'd like to be a driver. Get started on voki.com for the book report project, and keep studying those states and capitals. Have a great weekend!

**4— Mrs. Hepner**—Thanks to all the families that had children sing in the Easter services, the song was beautiful. We have darkling beetles in our room! It's very exciting to see the new changes in our science observations that occur on a daily basis now. This past week, the 4th graders had a few opportunities to show some awesome leadership skills in chapel and also with teaching the 5K students about their isopods. We have a field trip coming up on May 6. Watch for a note about our trip in the upcoming days.

**5 & 6—Mr. Jammer**—A thank you to our parent chaperones to the Brewer game yesterday.

**7 & 8—Mr. Brennan**—

**Athletics**— Be sure to watch the weather forecast and plan to dress accordingly. Most practice activities are done outside. Trinity, Brillion, will **not** be hosting a track meet this spring. No track meet on Saturday, May 7, as printed on the calendar. (*For information concerning our league visit our Fox Valley WELS Athletic League website [fwal.org](http://fwal.org).*)
