

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

From the Principal

On January 29th we will be holding an Open House. We believe we offer a wonderful spiritual and educational experience here at St. Paul. By God's grace we will be able to continue to partner with parents in the education of their children for many years to come. If you know a family that is interested in a Christian Education, please invite them to attend the Open house on Sunday from 11:30. Teachers and students from the school will be on hand to provide a tour of the school and answer any questions they may have.

Donuts with Grownups

Thank you to everyone who helped with or attended the event. We hope that all our guests had an enjoyable time getting to know a little bit more about the education their child is receiving here at St. Paul. We look forward to seeing all the Female Caregivers at Muffins in the Morning on February 22.

Summer Childcare

We are trying to gauge interest in Summer Childcare. Please complete [this short survey](#) (a paper version will go home next week). Responses will dictate what weeks we try to schedule childcare for.

What do you love about St. Paul?

We have not had any takers yet for interviews in response to our request last week. We have, however, had some wonderful written responses. We always appreciate the feedback, both positive and negative. So feel free to contact me any time with either type of feedback, or better yet. Please feel free to leave a rating and comments on [Facebook](#) or [Google](#).

Built on The Rock Update

Because of the mild winter, excavation of the new site will begin in mid-February. Additional updates will be coming soon as some pickup and dropoff routes may need to be changed. Please continue to monitor the Eagle for new updates.

School News

Athletics-Mr. Jammer

Home BB games vs Riverview, Appleton - **Friday, January 27** - (Boys B 4:30 pm, Boys A 5:30 pm). Away BB games at St. Peter, Weyauwega - **Tuesday, January 31** (Girls B 4:30 pm, Boys B 5:30 pm, Boys A 6:30 pm). Girls & Boys Fox Valley WELS League B Team tournament hosted by Riverview, Appleton - **Friday-Saturday, February 3-4**. Home BB games vs SVLS, Menasha - **Tuesday, February 7** (Boys B 4:30 pm, Boys A 5:30 pm).

For information concerning our league visit our Fox Valley WELS Athletic League [website](#)

Technology- Mr. Brennan

We continue to explore means of procurement for our cabling project and new monitors for our office, administration, and faculty. Tech Committee meetings will continue to be 6:30 PM of each month's fourth Thursday. 5-8 grade are beginning basic video editing projects.

Extended Learning- Mrs. Plitzuweit

We are continuing to work hard in the extended learning program. I just wanted to send a reminder that each of you has received a shared file for your child. You are always welcome to check that for progress on what we do in each session.

PTO

It has been an exciting week! It has been great seeing everyone all dressed up and in the spirit, but the fun isn't over yet! **Tomorrow is our St. Paul Eagle Night.** Come out and support our athletes and meet our newest St. Paul Eagle! Don't forget to wear your spiritwear! If you are in St. Paul gear/colors, you can earn some FREE nachos! Our next PTO meeting is February 6th. Hope to see you there!

Wizard of Oz!

The cast list has been published! I met with each cast member personally to inform them of the part they earned and the motivation for giving them that part. Now comes the trust and understanding that Mrs. Plitz knows what she is doing. I am very excited to get started on this production with this team. Each of these team members has shown me that they are dedicated and willing to put their best into everything. It is going to be fun!

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

Classroom News

7 & 8-Mr. Brennan

Thank you to the parents who were able to visit our classroom this week. 7th and 8th grade have been able to enjoy and have fun this Spirit week and are looking forward to starting February next week. 8th grade continues their countdown to the next step, but are happy to be able to enjoy these school traditions yet. We have started a new novel "Jacob Have I Loved" and are nearing our end of the Europe unit in Geography. We will have a cultural project due Feb. 16th.

5 & 6-Mr. Jammer

Thank you to those who were able to sing in church last Sunday. Remember, our classroom sings in the Prayer at the Close of Day service (7:30 PM) on Wednesday, February 1.

4-Mrs. Hepner

We began a project about the Midwest in Social Studies that will be presented on February 6th. We are continuing our math with fractions as we begin topic 9. This week we wrapped up our study on magnetism in science. We are working on our classroom community in all aspects and trying to find how we can appreciate each other! Book report books were supposed to be chosen by this week, start reading and not wait until the end of the quarter. Lastly, we sing this Sunday at the 10:30 service. Please meet in the 4th grade classroom by 10:15.

3-Mrs. Loescher

It has been a very fun Spirit week! Remember that we get to sing for church this Sunday - Jan. 29 - at 10:30am! Lately, there have been a number of kids forgetting to practice their Memory Treasures at home - please check the pink schedule sheet that was sent home in December for which passages are due each day. Remember, this is also on our class website: <https://sites.google.com/stpaulgreenbay.com/stpaulgrade3/home-hogar>

2-Mrs. Bakeberg

What great school spirit the 2nd graders displayed this week! We had an awesome week of fun sprinkled with a little learning. We are learning about cause and effect in reading, and how to punctuate dialogue in sentence writing. We have just finished money and clocks in math, and are ready to begin studying 3-digit numbers. Next week won't disappoint: we will hit our 100th day of school soon!

1-Mrs. Blum

We are really enjoying Spirit Week and all the fun it brings! Thank you for helping your child come prepared for the day and helping them bring coins for the Penny Wars. It is very fun! We took a virtual roller coaster ride during writing this week and made portraits that mimicked William Wegman's photographs of dogs in Art. Since we now have snow, please make sure your child has all their gear each day and that it gets dried at home each night. Thanks!

K-Mrs. Jammer

How much excitement can we fit into one week? Penny Wars, Donuts with Grownups, Spirit Week, and tomorrow's Scavenger Hunt were all fun. In phy ed we are working on throwing, catching, rolling, and kicking balls. With our 13th Superkid book we are mainly working with the 5 vowels and hearing them in the beginning and middle of words. Keep having your child read often

and drill the sight words. DATES TO REMEMBER: 3K-5K sing in church Feb. 19 at 10:30. Kindergarten also does Pre Show Entertainment for the grades 1-4 musical on Friday, March 3 at 6:30.

3K & 4K-Mrs. Zabell & Mrs. Nelson

We heard about Jesus' miracle of stilling the storm. When we have troubles, we are reminded to "be still", pray, and trust God. We enjoyed painting with brushes and palette knives and worked on spatial awareness with shape patterns. We also began working on our entertainment song for Friday, March 3 (prior to the play). Please mark that day on your calendar as well as Sunday, Feb 19 at 10:30 when we sing in church. Finally, join us for Eagle Spirit night Friday (1/27) for the 4:30 and 5:30 pm games. Go Eagles!

From the office

There will be **no school** Feb. 9, 10 and 13. Child care will **not** be offered on those days, so please make other arrangements for your child(ren). The [Wisconsin Parental Choice Program \(WPCP\)](#) offers families the opportunity to have their tuition fully funded. The application period for WPCP runs from February 1-April 20. Contact Lisa in the office if you have questions or need help.

Upcoming Dates

1/27 - BB Home Games vs. Riverview, Appleton
1/27 - Eagle Spirit Night & 8th Grade Recognition
2/02 - Healthy Choices Parent Meeting
2/3 - 2/4 - B Team Basketball Tournament
2/6 - PTO Meeting @ 5:30pm
