

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

From the Principal

A common theme among the adults at St. Paul is the conversation about us being a family. That message has really resonated with me in the past couple of weeks as I have met with families and spoken to groups about our school. We truly do have a special bond here at St. Paul in that we deeply care for each other like a family. We continue to grow our family and our current school families play a key role in this growth. We have had some young families come to us in recent weeks, and universally when I talk to them, they share that they found out about us from a co-worker, friend, relative, etc. As a part of our current school family, you are our best messenger about the school. What you say to others about the school matters. If you know a family that may be interested in learning more about us, please don't hesitate to have them contact me or the office directly via email or phone. Or better yet, offer to give them a tour sometime (I can help with that).

Before School Care

We are currently looking for child care help in the mornings from 7:00 - 7:45 in our Before School Care program. This program is a valuable asset to many of our families who have schedules that require them to be at work before the school day starts. If you or someone you know is interested in working a day or two, please have them contact Mrs. Rivers at Brittany.Rivers@stpaulgreenbay.com or 920-435-8498. We would love to be able to continue to offer this program.

FVL Tuition Planning and Tips Seminar Zoom Meeting

We have a special opportunity coming up for parents of students in grades 6-8. On March 7th from 8-8:30 pm, President Jeffrey Loberger will be hosting a Zoom meeting for interested families. Mr. Loberger will share important information regarding making high school affordable. Topics will include WPCP, Tuition Assistance, SCRIP, and more. We want to give your families the opportunity to start planning early with the potential of saving thousands!

Built on the Rock

Earthly Structure, Eternal Foundation

Built on the Rock

The mild winter has put us in a position to move forward faster than expected. This means that we will be making a change to our pickup routine at the end of this month. At that time it is anticipated that our current end of the day exit door will not be available. Beginning on February 27, students will exit out of the East side of the building and walk to the playground area. **Parents/Guardians will be asked to walk to the playground area to pick up students.** You can find Built on the Rock Updates, including important upcoming dates, [here](#).

Pep Rally

Our annual pep rally will take place in the gym on Friday, February 17 at 2:15. If you would like to join us, please feel free to do so.

School News

Athletics-Mr. Jammer

FVWAL Cheer Competition is Friday, February 17 at FVL, Appleton (6:00 pm). FVWAL A Team Basketball Tournament is Saturday-Sunday, February 18-19 at FVL, Appleton. Our Boys A team plays at 4:20 pm and 6:25 pm on Saturday. Sunday's game TBD. To wrap up our basketball season, Sunday, February 26, is our family basketball game day. Girls B - 1:00 pm, Boys B - 2:00 pm, Boys A - 3:00 pm.

Junior Choir - We sing in the 3:45 Ash Wednesday service on Feb. 22nd. Students will meet in Mrs. Bakeberg's classroom after school, then sit in the balcony for the service. After the service they can meet parents in the narthex.

Praise Chimes - Praise Chimes ring in the 8:00 service on Feb. 26th. We will meet in Mrs. Bakeberg's classroom at 7:40 for a warmup. After ringing, they can sit with their family.

Technology- Mr. Brennan

In Class- Students in 5-8 grade will continue their "Be Internet Awesome" curriculum the rest of the year on Mondays. However they will be continuing to work on digital and video projects on Thursdays for the rest of the year. 8th Grade will begin making photo selections for the yearbook as well.

Building- St. Paul's will continue to look for the best way to strengthen our network, and pursue financially responsible but definitely effective ways of accomplishing that. We currently have plans to try a mesh network, as it would be perhaps more future proof and cost effective than a cabling project.

Issues- If you're having technical issues with Powerschool, student Google accounts, or ability to view a shared document please contact me through email. jared.brennan@stpaulgreenbay.com

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

PTO

We hope everyone had a good time at GET AIR last Thursday. St. Paul received almost \$82 from our share. Cheesecake order forms went home last week and are due back by 3/20. Earning from these fundraisers will go toward upcoming events and projects. Check out our [Facebook group](#) to learn more.

Classroom News

7 & 8-Mr. Brennan

A bit of a project bottleneck for students who have waited to work on their social studies cultural project this past week, please encourage students to work on projects before the last week. A few upcoming projects are; technology class video February 23rd, 7th Grade math STEM project March 10th, and the many art projects due for completion prior to March 10th.

The 8th Grade class book process has begun, we want to get the yearbook done earlier this year, so please start looking for those baby pictures and you may email them to me jared.brennan@stpaulgreenbay.com or directly to the yearbook committee at yearbook@stpaulgreenbay.com

5 & 6-Mr. Jammer

Grades 3-6 are attending the FVL musical, *Anastasia*, on Tuesday, February 28. An informational letter with a permission slip was sent home earlier this week. Please return the permission slip by Friday, February 24. We studied a hymn new to our hymnology curriculum this week, Hymn 388 "Down from the Mount of Glory." It celebrates Jesus's transfiguration. Looking ahead, Grades 1-8 sing in the Wednesday, March 1, Lenten services.

4-Mrs. Hepner

This past week, we have discussed how to finish off these last few weeks of the quarter strong. Check in to see where they are at with reading their book report book along with reviewing the states and capitals for the 3rd test of the year. We wrapped up our unit on electromagnets and will be moving on to our next topic, energy transferring which will include ramps! In math we are continuing with fractions but now adding multiplication to the mix. Field trip permission slips went home this week, if you have not returned them yet, please return by next Friday.

3-Mrs. Loescher

We've started an exciting novel for Reading - Frindle, by Andrew Clements! Earlier this week, a note about our upcoming field trip was sent home. Please be sure to sign it and send it back by Friday, Feb 24. Finally, as February wraps up, don't forget to check your child's grades in Powerschool!

2-Mrs. Bakeberg

We are learning about presidents Washington and Lincoln this month. Our science work has been about mixing solids and liquids together, and then seeing if the mixture is reversible. Is toothpaste a solid or a liquid? That's what we're contemplating now. Our field trip to the Weidner Center is on Tuesday (21st). Drivers are: Heise, Retzlaff, Revell, and Bogenschneider. We'll leave school at 9:15.

1-Mrs. Blum

We have exciting things coming up! Our field trip to the Weidner Center is on Tuesday (21st). Our drivers are: Neumann, Mulkey, Wellhoefer, Breuer, Enstad and Fabry. We will leave school at 9:15. Please also remember to send in your child's costume for the musical coming up. We are getting very excited for the musical!

K-Mrs. Jammer

A reminder that we sing in church **this Sunday** in the 10:30 am service. Please have children meet in the downstairs 3K & 4K rooms by 10:20. They will be singing the first hymn and then joining you when they are done. The children enjoyed all their valentines and goodies. Thank you for the class treats and gifts to me also. We are studying letter Rr and working with rhyming words. We've begun using Raz Kids, a school app that has leveled readers where we listen to a book, read it, and then answer 5 questions about the story. Tomorrow we get to attend the pep rally!

3K & 4K-Mrs. Zabell & Mrs. Nelson

We learned how Jesus healed ten sick men and only one came back to thank Jesus. How often we too, take God's good gifts for granted. Forgive us, Lord, and help us be motivated by your love! This week we also exchanged Valentines, created chalk art, added pictures to our portfolios and practiced our songs. A reminder that we sing in church **this Sunday** in the 10:30 am service. Please have children meet in their classrooms by 10:20. They will be singing the first hymn and then joining you when they are done.

From the office

[Raise Days](#) are back! Two days of bonuses on SCRIP eGift cards. The Wisconsin Parental Choice Program application window is open from now, until April 20. Please contact the office if you have questions. Check out [these](#) upcoming youth sport opportunities at FVL.
