

## Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

## From the Principal

As we enter the season of Lent and reflect on all our Savior has done for us with his death and resurrection, I wanted to highlight a couple of upcoming opportunities to fellowship with our school families. Please consider attending our Grades 1 & 2 Musical and Easter for Kids. We look forward to seeing all of you on March 1 for when our children get to sing at the Lenten Service. Don't forget to let us know when you are coming. If you can, invite a friend to join you. It's a great opportunity to show them our school and the amazing talents of our children. See you there!

## Grades 1 & 2 Musical

Our first and second grade students will be putting on their musical performance, "Welcome to the Jungle," for all to see on Friday. Pre-show entertainment by our 3K-5K students begins at 6:30 PM. You can sign up on [Facebook](#) to let us know that you are coming.

## Easter for Kids

Students of all ages are invited to our Easter for Kids celebration scheduled for April 1 from 10-11:30. You can find the Facebook Invitation [here](#). If you would like to volunteer to help, you can sign up [here](#).

## March 1 Lent Service Singing

A [form](#) with information about signing up for singing on March 1 went home with students on Tuesday. Please be sure to complete it asap or utilize the [online survey](#) to let us know which service you plan to participate in.

## Tuition Update

Tuition rates for the 2023-2024 school year have been established. A letter will go home with students on Friday explaining the rate schedule. You can find a copy of the letter [here](#). **If you have concerns about your ability to pay tuition, please contact Principal Miller. Our Board of Christian Education is committed to ensuring that no child will not be able to attend our school because of money.**

## School News

### Athletics-Mr. Jammer

Congratulations to our cheerleaders and Boys A basketball team. At the Fox Valley WELS Athletic League BB tournament last weekend, the cheerleaders finished 3rd at the cheer competition and the boys won the championship! A BIG thank you to our coaches this season: Mrs. Jill Schultz, Mrs. Ashley Hepner, Mr. Brian Zweig, Mr. Mason Ziegert, and Mr. Kolt Retzlaff. Thank you to all the volunteers who helped our basketball season run smoothly. All uniforms should be returned if you haven't already done so. The family basketball games have been rescheduled for next Sunday, March 5.

**Praise Chimes**-We ring this Sunday for the early service. Please meet in Mrs. Bakeberg's room at 7:40 for a warmup. After ringing, students can sit with their families.

### Technology- Mr. Brennan

The 5-8 Continue to discuss digital citizenship in technology class, as well as work on video editing projects. The Tech Committee will meet this week Thursday and discuss plans for the future project of testing out the mesh network. Any concerns or issue with technology please contact [jared.brennan@stpaulgreenbay.com](mailto:jared.brennan@stpaulgreenbay.com) if you have any yearbook photos from school events please email them to [yearbook@stpaulgreenbay.com](mailto:yearbook@stpaulgreenbay.com)

### Extended Learning- Mrs. Plitzuweit

We have begun the quarterly assessments again. Please encourage your student to have a positive attitude and do their best on these. The assessments give us very valuable information that influences the focus of their individual learning plans. The assessments also provide you, the families, and the students accurate learning growth feedback but only if they do their best. Intervention sessions may be a bit different for the next few days to account for these assessments just as they did the first two quarters.

### Wizard of Oz!

Our time to meet together is quickly approaching! Please let me know if you cannot access the Google rehearsal calendar that should have been shared with all students and parents of the cast and crew. That calendar has the specific times of rehearsals. The printed version only gives starting times. I am sending home a printed version as well, just so you can verify the days that don't have rehearsal scheduled and the reason for that. There was also costume information that came home both in hard copy and through email. As we begin our drama season, please make it a habit to check those emails.

### PTO

Thank you to all the dads that came to help host our Muffins in the Morning event. We had a great turn out. Our next meeting is March 6th at 5:30pm. This is going to be a planning meeting for the year of 2023-2024. Please join our Facebook group, if you haven't already, and watch the live video of our last meeting. Don't forget to check out our online Spirit Wear Store [here](#). This will be available 24/7 all year long!

## Classroom News

### **7 & 8-Mr. Brennan**

Congratulations to our 7-8 Basketball and Cheer members on a completed and successful season.

March 5th @ 10:30 the 7-8 grade students will be singing at St. Paul's during the service.

8th Grade parents please send either through email or in person a baby picture or two of your 8th grader. We will be preparing the 8th grade pages of the yearbook prior to spring break.

### **5 & 6-Mr. Jammer**

Reminder that Grades 1-8 sing on Wednesday, March 1, in either the 3:45 pm or 6:30 pm Lent service. Enjoyed having classroom guests for "Muffins in the Morning" yesterday. Miss Sylvia Lauth (a student at MLC) will be in our classroom next week completing her Early Field Experience. Our classroom along with Grades 3-4 will be attending FVL's musical, *Anastasia* on Tuesday morning.

### **4-Mrs. Hepner**

The countdown is on until the end of the quarter. The 4th graders now have a visual reminder on the board about book reports and the States and Capitals test that will be happening on March 9th! Next week we have a field trip on Tuesday to FVL and then we sing on Wednesday for our Midweek service. We also have a visitor next week in our classroom. A MLC student will be shadowing our classroom in order to complete their EFE requirement! We are looking forward to sharing our classroom with her.

### **3-Mrs. Loescher**

This week, we focused on God's amazing grace, giving us each an undeserved place in heaven. There are a couple of important dates coming up: February 28 is our field trip to FVL. On Wednesday, March 1, we are singing for church (in either service). Monday, March 6 is our next map quiz on the Southeast Region. Finally, March 9 is the due date for 3rd quarter book reports.

### **2-Mrs. Bakeberg**

Thank you, drivers, for taking us to the Weidner Center on Tuesday; hearing how they used expression and spoke clearly was a great lesson for how we can perform at our musical. Grades 1-8 sing for the March 1st Lent service. You will be receiving a sign-up notice to choose which service your family will be attending. By now, all costumes for the musical should have arrived at school. On the night of the musical, please have your child in the classroom at 6:00 so we can get costumes on in plenty of time before the performance. We can't wait!

### **1-Mrs. Blum**

Thank you to those who drove for our field trip this week. We had a wonderful time at the Magic School Bus musical. It was exciting to see it the week before our own musical! We are practicing often now as the musical approaches. We can't wait for you to come and see them perform!

### **K-Mrs. Jammer**

Thank you moms for joining us on Wednesday. I'm glad you could get a sneak peek of what our school day is like. Our Social Studies unit is "How Has Our World Changed" from long ago to today. In music we are learning about dynamics: loud and soft. Mark your calendars for Friday, March 3 at 6:30 pm. We will need all the kindergarten students for playing bells and boomwhackers for the pre show entertainment before the grades 1-2 musical.

### **3K & 4K-Mrs. Zabell & Mrs. Nelson**

While hearing about Mary and Martha's visit with Jesus, we were reminded to always keep God's Word as our top priority. It is the food we need for our faith to grow! Thanks to the moms who joined us on Wednesday. We loved having you visit! This week we also had fun writing in shaving cream, performing a sink/float experiment, working on our numeral recognition and practicing our song for Friday, March 3rd!

## From the office

Our Lost & Found bin was overflowing, so we have set up a table in the Activity Center. Please take a moment to look through the items and see if anything belongs to you. The table will be up through Sunday. The Wisconsin Parental Choice Program application window is open from now, until April 20. Proof of residency must be submitted to the office for your application to be complete. Please contact the office if you have questions.
