

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

From the Principal

This past Wednesday and Friday our students had the opportunity to place prayer stones in the new construction site. These stones will become a part of the floor in the entryway and basement. And while we will not be able to see them visibly we know that they are there. Every student that decorated and/or placed a stone will always have the knowledge that they were here when it happened. When years of planning, hard work, and providence came together to improve our outreach to the community, strengthen our school and ultimately have an impact on souls we do not know and cannot see today.

Tuition Updates

Our board of Christian Education remains committed to making a quality christian education affordable to all families. They have recently approved a change in the policy to make some scholarship dollars available to all families. Please take a moment to review the previously provided [Tuition Letter](#) and then, if need be, complete a [Scholarship Application](#). All scholarship applications may be returned to the main office or emailed to office@stpaulgreenbay.com. A hard copy of this application will also be going home with this edition of the Eagle.

Last Full Eagle of the Year

This will be the last full eagle of the year. Please watch for our end of year Eagle next week with important school end and summer information.

Built on the Rock

Blue Sky is planning to pour the floor of the basement on Friday, May 12. Since this is the last full Eagle of the school year, you may find yourself wondering how things are going with the building project. The good news is that you can find out more on our building project blog [here](#).

Wizard of Oz!

It is show time! Please join us as the St Paul Drama Team presents The Wizard of Oz! You do not need to have a child in the production or even a child in the school in order to come and enjoy the show! There will be an opportunity for free will donations to support the performing arts at St Paul. Prepare to join us on our journey down the yellow brick road. We will see you there!

- **Friday, May 12, 6:00pm**
- **Saturday, May 13, 3:00pm**

School News

MLC Meet Math

Over the course of the school year, grades 5-8 participated in a math meet competition sponsored by Martin Luther College, New Ulm, MN. WELS schools across the U.S. competed. Two St. Paul students received recognition and received a certificate for having the high score for their level. Congratulations to Lily Schmidt (8th) and Avery Blum (6th)!

2022-2023 Physical Fitness Testing

During the 3rd Quarter, Grades 1-8 participated in a physical fitness program. The following students received the Silver Award: Jackson Dedow, Lily Schmidt, Eric Techlin, Julia Terzich, Easton Dedow, Lia Landwehr, Joseph Berndt, Felicity Mwai, and Tucker Maertz. Congratulations!

The following students either tied or broke a school record: Beckett Lorenz (Age 6 - broke flexed-arm hang record), Tucker Maertz (Age 6 - tied standing long jump record), Braxton Lorenz (Age 8 - broke flexed-arm hang record), Addison Blattner (Age 8 - broke flexed-arm hang record), Nathan Zwiig (Age 9 - broke shuttle run record), Hope Schultz (Age 10 - broke flexed-arm hang record, tied bent-knee situp record). Congratulations!

The school records are updated annually and posted on the bulletin board inside the Activity Center.

Praise Chimes- We have our last rehearsal on Wednesday, May 17th, and our final performance May 18th at the Ascension service. We will warm up in my classroom at 6:10.

Athletics-Mr. Jammer

Student athletes, attend sport camps during the summer if you can. Keep working on the various skills to improve for next season!

(Visit our Fox Valley WELS Athletic League website fvwal.org to learn more.)

Technology- Mr. Brennan

The tech committee discussed the cabling project plans and why we are going forward in the manner we are. Discussions about monitors for the faculty also occurred. As the building project continues, plans have begun to form about what this means for moving tech from old classrooms to new classrooms, and what is needed to meet the needs of the students in each new classroom, as far as technology. Students Final tech project is due May 22nd, the timeline was expanded due to the loss of two work days.

PTO

Tomorrow is the opening night of the 5th - 8th Drama Production. Silent Auction [baskets](#) have been assembled. **THANK YOU** to everyone who donated items. Our baskets are overflowing! Remember proceeds from the Silent Auction will support our Dama department budget and PTO hosted student activities like the End of Year dance. If you want to volunteer at the dance please sign up [here](#). We also need food and beverage donations. If you would like to donate, sign up [here](#).

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

Classroom News

7 & 8-Mr. Brennan

First I wish to congratulate our newest confirmed members of St. Paul. God's blessings to you as you grow in God's Word going forward. The 8th grade banquet theme is "Beach Party." Eighth grade parents have begun to discuss decorating plans. If you are interested in participating, please contact Mrs. Rivers at brittany.rivers@stpaulgreenbay.com. The 7th graders will be serving the 8th graders at the banquet, similar to last year. A nacho bar and an ice cream sundae bar will be the refreshments served at the banquet. 7th grade families will be asked to make donations towards the dinner as in years past. We have 2 field trips on the horizon; Wisconsin Dells 5/18 and bowling 5/19. The Dells trip will be an all day trip, leaving before school and returning after school is dismissed. We are still in need of 1 driver for this field trip, please notify me ASAP if you can fill this role. Join us for the production of Wizard of Oz this Friday and Saturday!

5 & 6-Mr. Jammer

See you Friday (6:00 pm) or Saturday (3:00 pm) for the Wizard of Oz performance. Come and enjoy! A lot of preparation and practice has gone into preparing the show! Remember to return the bowling permission slip by tomorrow if you haven't already done so. Looking ahead to Ascension (Thursday, May 18), Grades 3K-8 sing.

4-Mrs. Hepner

The bigger projects are wrapping up and due soon! Book reports are to be turned in by May 18th. All 50 states and capitals will be tested on May 22. We are finishing up our novel, Number the Stars this week as well! We studied our final critter and are now waiting to see if we were able to create an environment that they would be able to survive in! Thank you for all the appreciation this week. Don't forget that this weekend is the production of Wizard of Oz! The upper grade students have been working hard and it would be awesome to support our BASIC group buddies!

3-Mrs. Loescher (Mrs. Bushner and Mrs. Mendolla)

We're almost to the end of the year!! But we're not there yet.... Please encourage your future fourth grader to continue to do their very best. Just like in a race, you run the best you can until you cross that finish line. Remind them not to stop trying because they see the finish line! Remind them to take their time, to do things correctly even if it takes a little longer. Remind them that a job well done feels better than an 'I can do better than that'. We're running that race along with them!

2-Mrs. Bakeberg

We are patiently awaiting the emergence of our butterflies! Do any of you want beetles at home to feed a pet? We have lots of beetles that could be yours! Coming up, our field trip to Barkhausen is this Monday. Drivers are: Retzlaff, Bogenschneider, Revell, Mwai, Cortes, and Redeker. Remember to bring your own lunch and drink, too. We leave around 8:30.

If you have the opportunity, bring your family to the production of the Wizard of Oz this weekend!

1-Mrs. Blum

Our field trip to Barkhausen Wildfowl Preserve is this Monday. Thank you to those who said they would drive! Remember to send a lunch and a drink for your child and bring one for yourself if you are driving. We leave around 8:30 am and will spend the day there. We are looking forward to spending time together exploring the wetland, forest, and prairie habitats!

If you have the opportunity, bring your family to the production of the Wizard of Oz this weekend!

K-Mrs. Jammer

Our final animals that we studied were birds, worms, and nightcrawlers. Lots of assessments are taking place as the year ends - counting, sight words, reading, writing numbers and letters, etc. The kindergarten kids got to visit 3K/4K classrooms for a bit on Wednesday so the 4K kids could get a taste of kindergarten. Don't miss coming to the 5th-8th grade play Wizard of Oz on Friday night at 6:00 or Saturday at 3:00. The kids will love seeing their BASIC group buddies performing and the Silent Action will be taking place. Happy Mother's Day!

3K & 4K-Mrs. Zabell & Mrs. Nelson

Lots going on this week! The kids heading to kindergarten next year got to try out kindergarten on Wednesday morning. On Thursday we had our chapel buddies read books to us and on Friday we will watch the dress rehearsal of The Wizard of Oz. Our Bible lesson reminds us that Jesus loves children and wants them to come to Him. How great it is that you brought your children to hear about Jesus at school this year!

From the office

Summer Childcare

Remember Summer Childcare is available. If you will need this service, please sign up [here](#) or email the office. Lunch form went home regarding the change on May 19th. Please return those as soon as possible.

Last Day of School

Thursday, May 25, is our last day of school! Remember that school will be dismissed at 11:30 AM—buses will be on hand for those who ride the bus. Please inform your child's teacher if they will NOT need the bus that day but will be picked up instead. We will be offering after school care, but all students must provide their own lunch on this date.

Upcoming Dates

- 5/12 - Silent Auction @ 5pm
- 5/12 - Grades 5- 8 Drama Production @ 6pm
