

Mission Statement

The mission of St. Paul Lutheran School is to teach children and their families about God's plan of salvation, to guide them in applying their faith to their lives and to share that faith with others through an excellent Christ-centered curriculum and environment.

From the Principal

Our FVL theme of Overflow with Hope has a February emphasis on our Unfailing Hope focusing on Psalm 33:22 "May your unfailing love be with us, Lord, even as we put our hope in you." In this verse, the psalmist prays that the Lord's unfailing love be with us, even as we put our hope in him. We rest in the certainty of a God who is unfailing, unflagging, and patient with us as we come to him in prayer. May God grant us all the faithfulness of this psalmist as we too pray for his love to be with us in our daily, weekly, and monthly endeavors.

No Eagle Next Week

There will be no school on Thursday or Friday next week and no school the following Monday. This means that there will be no Eagle next week.

Technology- Mr. Brennan

The students in 5-8 are working on a video editing project. The students in Music Appreciation have a specific goal to create a lyric video for a hymn in the new hymnal. The most recent Tech Committee meeting resulted in a proposal to try a mesh network to attain our desired network update, as well as an approval to seek E-rate discounts on our ISP.

PTO

Last Friday we got to meet our new eagle mascot, Soar! Thank you to all the families that voted for our mascot's name. Mrs. Bakeberg's class had 100% family participation, which means PTO will reward them with a special treat! We also learned that Mr. Brennan's class won the Penny War! They will get the honor of silly stringing Principal Miller at the pep rally. Our Students raised \$1,345 that will be applied toward events and updates that will be determined at our February 6th meeting. We would love your input so please attend either in person, or online in our Facebook Live.

St. Paul is responsible for concessions this year. There are two ways to help support this undertaking with donations. All proceeds are divided among the league schools in the end.

- 1) Monetary donations to purchase items for the concession stand. These can be dropped off at the church/school office or given to our athletic director, Mr. Jammer.
- 2) Bake and package dessert items (cookies, bars...) that can be sold at the concession stand. Please put single-sized servings in a clear, sandwich-sized bag and drop them off at school before the end of the school day on Friday, February 17.

Thank you in advance for any and all donations. They are greatly appreciated.

Classroom News

7 & 8-Mr. Brennan

In our classroom we have been making progress on several goals about creating a more positive school environment, but we know we can still improve. With a new month and a few busier weekends approaching (tournaments, lock-ins, etc..) here are a few reminders of things on the horizon: Cultural project for Social Studies Feb. 16th, 8th grade Math STEM Feb. 17th, Junior Choir sings Feb 15, Whole school sings Feb 22, and 7-8 Grade class sings March 5th @ 10:30 AM)

5 & 6-Mr. Jammer

Thank you to those students and their families who were able to join us for our classroom singing Wednesday evening at the Prayer at the Close of Day service. Congratulations to Isabella Carlson and Sydney Wallen for placing 1st and 2nd respectively at our St. Paul Spelling Bee. Isabella will represent St. Paul at the CESA 7 Spelling Bee being held here at St. Paul on February 15. Book orders for the month of February are due February 24.

4-Mrs. Hepner

Thank you to everyone who sang this past weekend, we do sing one more time, but this Sunday is at Messiah at their 10:15 service. Social Studies projects about our Midwest road trips are being presented on Monday. In technology, we are finishing up our budgets while learning a few more colorful aspects in Google Sheets! Be on the lookout for chaperone information for our field trip coming up at the end of the month.

3-Mrs. Loescher

We have one more opportunity to sing for a church service this Sunday (Feb 5) at 10:15am at Messiah Lutheran Church here in Green Bay - please see the note that was sent home! We also have a field trip coming up at the end of the month - please begin to think about whether you could chaperone. We will not need drivers for this field trip, just parents to help keep the children under control.

2-Mrs. Bakeberg

We had so much fun with Spirit Week last week! Thank you for your help with all the dress-up days and your voting. You should

have received a field trip note on Monday; please return the permission form (and money if you are chaperoning) by Wednesday, February 8th. How are the musical costumes coming along? I have already received some, and they look great! We are putting some actions into our songs now, improving every day!

1-Mrs. Blum

Spirit Week was very fun and exciting last week. We are working on settling back into our routine this week. Field trip permission slips went home on Wednesday. Please return those as soon as possible. Also, please work on your child's line or lines for the musical and continue working on putting together their costume. Some costumes have come to school already. When your child's costume is ready, send it in. Thanks!

K-Mrs. Jammer

We've studied wood, paper and now fabric in science. Go on a "things made of fabric" hunt in your home or consider going through a fabric department in a store. In music we are learning about the instrument families in an orchestra: woodwinds, brass, percussion, and strings. Did you know students can take band lessons at our school starting in 5th grade? We celebrate the 100th Day of School tomorrow. We will exchange Valentines on Feb. 14. We continue to practice our song for church (2/19) and entertainment using bells and boomwhackers before the play (3/03).

3K & 4K-Mrs. Zabell & Mrs. Nelson

This week we heard how Jesus cared for a paralyzed man's soul and body. He forgave his sins **and** healed his legs. What a blessing to have a Savior who loves and cares for us! We had fun going on a letter hunt, creating with Wikki Stix, setting up a puppet theater and making some squishy art. We also continue to practice our song for church (2/19) and entertainment before the play (3/03). Stay warm everyone!
